Staying Connected
Networking
Giving Back

The Wisconsin Agricultural and Life Sciences Alumni Association

Since 1972, WALSAA has been the alumni association of the UW-Madison College of Agricultural and Life Sciences (CALS) and Farm and Industry Short Course (FISC).
A way to stay CONNECTED...

Staying connected with alumni, CALS enthusiasts and UW-Madison is one of WALSAA’s goals. By attending our many events held throughout the year, WALSAA provides numerous ways for you to stay connected with all of your friends and industry peers.

Some of our major events include:
- The FISC Reunion
- WALSAA Summer Picnic held during Farm Technology Days
- WALSAA Football Fire-Up
- Student Awards Reception

To register for upcoming events, visit www.WALSAA.org.

An opportunity to NETWORK...

As a member of WALSAA, you have the opportunity to network and interact with CALS students and industry peers at many events held throughout the year.

Do you enjoy working on behalf of the college and networking with students and fellow alumni? There are volunteer opportunities at several WALSAA events. Lend a hand, shake a hand or get your hands dirty alongside CALS students and other alumni. WALSAA volunteers assist with events (Picnic and Fire-Up) in addition to hosting students who may want to visit their businesses for tours or interviews.

WALSAA’s reach also extends into high schools around the country by providing annual funding for student ambassadors. You won’t find a more engaging bunch than the CALS Ambassadors who help recruit the brightest and the best to the College. WALSAA provides funding for the group’s activities, orientation recruitment and attire.

An avenue to GIVE BACK...

One of the major ways WALSAA supports giving back to CALS is in the form of scholarships, program funding and grants. Recipients include the CALS student organizations, sophomores, CALS departments and advisors, FISC students and future leaders of the CALS campus. The ability for WALSAA to provide this type of support is at the core of its mission and solidifies its connection to CALS.

Starting with donations and continuing with annual silent auctions, WALSAA has been able to generate continued scholarship support over many years to deserving students and faculty of CALS.

These include, but are not limited to:
- The Outstanding Sophomore Awards
- FISC Student Awards and Scholarships
- CALS Student Organization Impact Grants
- Outstanding Advisor Award
- CALS QuickStart Program

Here is what WALSAA has to offer YOU!

Your CALS Connection For Life

WALSAA is a 501(c)(3) charitable organization supporting the connection of students, faculty and alumni to CALS.
